1. **RATE OF TAX** - The rate of tax is determined from the total retail stores operated under the same general management, supervision, ownership or control, wherever located, including the Louisiana store(s) covered by this report. Refer to License Tax Schedule above.

2. **MEASURE OF TAX** - The measure, or the amount of tax due the City of Marksville, is determined by applying the rate of tax to the total retail store(s) in Louisiana.

3. **EXAMPLE** - If an operator of a total of 36 retail stores located in Texas, New York, Alabama and Louisiana, operates 5 stores in Louisiana, the amount of chain store tax would be computed as follows: The license tax schedule above shows that the rate of tax on a chain of between 35 and 50 stores is \$20.00 per Louisiana store. Therefore, the amount of tax due would be 5 Louisiana stores at \$20.00 each or a total of \$100.00.

4. **INTEREST AND PENALTY** - If return is not filed and tax paid before March first each year, there will be added to the tax interest at the rate of 12% per annum until paid and penalty at the rate of 5% for each thirty days of fraction thereof of delinquency not to exceed 25% in the aggregate.

5. **NEW STORES OPENED DURING TAXABLE YEAR**- The rate of tax for stores opened in Louisiana after January 1st shall be same as though the new stores were added to the number in operation on January 1st. If a store is opened in Louisiana after June 30th of any year, the rate applicable to such store for the first year shall be one-half of the rate determined as hereinabove provided.

This report must be made to the City of Marksville, 427 North Washington Street, Marksville, Louisiana 71351.
